

Welcome to Expert Witness 24-7 Service Ltd

Expert Witness 24-7 Service is an established private practice of experts providing quality expert witness and medico-legal reports. The service is designed to make the process of identifying and instructing an expert witness easier for you ensuring your report is filed on time.

Access to a nationwide network of accredited, professional and reliable experts, psychiatrists, psychologists, paediatricians, neurologists, and other medical professions on request.

Specialising in Family Law proceedings (public & private), Personal Injury, Medical Negligence, Immigration, Asylum, Employment, Discrimination and Road Traffic Accidents.

Rehabilitation - Our Chartered Clinical Psychologists are located nationwide who specialise in treating Post Traumatic Stress Disorder using one or both evidence based treatments as recommended by the National Institute of Clinical Excellence. Research has found that Cognitive Behaviour Therapy and or Eye Movement Desensitization Reprocessing are very effective in alleviating the conditions of PTSD.

We operate to the Rehabilitation Code of Best Practice.

Our focus is entirely on helping the injured party, for the best benefit of them, their representatives and compensators.
